Notes on the digitized version of the Official Report of the XIIIth Olympic Winter Games Lake Placid 1980 – Official Results

The digital version of the Official Report of the XIIIth Olympic Winter Games was created with the intention of producing the closest possible replica of the original printed document. These technical notes describe the differences between the digital and printed documents and the technical details of the digital document.

The original document

The original paper version of the Official Report of XIIIth Olympic Winter Games Lake Placid 1980 – Official Results has dimensions of 8.5" x 11" (21.5cm x 28cm).

The volume's spine is of white color.

The book has 224 pages.

The fonts used in the digital version book for text, photograph captions and chapter headings are Garamond and such system fonts as best approximate the original fonts.

Special features of the digital version:

- The spine is not included in the digital version.
- Blank pages are not included in the digital version.
- The digital version includes a bookmark list that functions as a hyper linked table of contents. Selecting a topic heading will take you to the corresponding section in the document.
