M2- Objection RSA against CAN

Item: 11

Just before the finish the Canadian Pair (Lane 4) moved towards the South African Pair (Lane 3). The oar blade of the Canadian crew was one meter over the line of buoys and into the lane of the South African Pair.

The umpire warned the Canadian Pair to move back into their lane - he continued to warn the Canadian crew for the last 100m but the Canadians did not move out of the South African's lane.

The South Africans were clearly disturbed by the Canadian crew.

The umpire has excluded the Canadian crew from the event.

South Africa were 4th across the finish line but with the exclusion of Canada the South African Pair are now placed 3rd.

M2- Protest by Canada against the decision of the Umpire

Item: 13

The Canadian Team have protested (Rule 70) against the decision of the Umpire in Race 71 - The second Semi Final A/B of the M2-

The Board of the Jury has met to consider this protest.

The Board of the Jury confirms that the Umpire has taken all actions according to rule 72 paragraphs 6 and 7 and that there was a clear interference by CAN affecting RSA.

Therefore the Board of the Jury confirms the decision of the Umpire. The CAN M2- are excluded from the event.

M2- CAN Appeal to Executive Committee

Item: 14

The FISA Executive Committee confirmed the actions and the decisions of the Umpire and the Board of the Jury in this case as their first priority was to restore the chances of the disadvantaged crew (RSA). The Umpire correctly applied the only sanction available to him in order to achieve this. The Canadians have appealed the sanction applied by the Umpire as inappropriate. The Executive Committee have considered the appeal and have decided that according to Rule 79(6), the appropriate measure is to allow the CAN M2- to participate in Final B on Thursday.

Change of Racing Timetable - Sunday 15 August

Item: 1

The weather forecasts for Sunday 15th and Monday 16th August show that the wind will increase during Sunday and for very strong winds on Monday.

It has been decided that the races on Sunday will be at 7 minute intervals (not 10') so that racing will finish one hour earlier.

Racing on Sunday will start at the normal time of 08:30.

It may not be possible to race at all on Monday so the change to the Sunday timetable is decided to ensure that all the heats can be finished before the wind becomes too strong.
