Communiqué No. 2

GENERAL INFORMATION - REMINDER OF DISPOSITIONS

The confirmation of the riders done on Thursday, August 14th is final; nevertheless the Team Managers will have the opportunity to forward modifications to the Secretary of College of Commissaries until 4:00 PM on the eve of the first race of the competition.

Any rider replacement to a confirmed selection may only come from the list of already registered riders.

Any Team Pursuit modification must be notified to commissaires at least 1 hour before each start.

The wearing of the rigid safety helmet is mandatory for riders at all times when riding on the track surface.

Riders may not wear headphones (for electronic devises such as radios, MP3 players, etc.) while riding on the track.

Riders are reminded that they must wear their respective national apparel during the races as well as during award ceremonies. National apparel and all equipment (clothing, equipment, and accessories) must be in conformity with Manufacturer Identification Guidelines for the Games of the XXIX Olympiad, Beijing 2008 presented by IOC.

Riders must present themselves for awards ceremonies at the time indicated.

Riders shall ensure that the number panel is visible and legible at all times. The number panel shall be well fixed and may not be folded or altered. When wearing two number panels, they should be placed low down on the back on either side of the body

Transponders, fitted to the bikes, are mandatory for all events except Madison.

These can be collected from the Commissaires' area inside the track.

All bicycle measurement checking shall be carried out in the equipment check area before entering the track. Riders must come for bicycle-check at an adequate time before their start. Checking will also be carried out 15 minutes prior to commencing each competition. Commissaires are entitled to double check positions after the race. Should the bicycle or position have been modified in contravention of the regulations, the rider shall be disqualified.

Any rider who considers that he needs to use a bicycle that presented a technical innovation or particularity must inform the Commissaires' Panel to that effect when presenting his licence.

Bicycles or other equipment may not be left in the safety zone of the track. Riders should keep the bicycles and the equipments in their designated teams' area.

Teams are also reminded that only the coach of the rider currently on the track is permitted in the safety zone. No other people are permitted in this zone.
